**48 hours/fortnight (0.6 EFT)**

Tweddle Child & Family Health Services

We are seeking an innovative, positive, passionate and enthusiastic Early Parenting Practitioner to be part of the growth and development of Tweddle.

Tweddle Child & Family Health Service is one of only three Early Parenting Centres in Victoria. If you are passionate about the importance of parenting in the early years and committed to working to support and nurture individuals in order to help build harmonious, respectful and productive communities, then join the workforce at Tweddle.

You will be a confident and collaborative worker with qualifications in Early Childhood Development, Youth Worker or Degree in Psychology/Social Work. You will be working within a multidisciplinary team, have knowledge and experience in working in partnership with vulnerable families and have skills and knowledge in the area of attachment/infant mental health and its effects on the parent child relationship.

As a Child Safe Organisation, all staff are expected to promote the safety, wellbeing and inclusion of all children.

Tweddle is a family friendly workplace and an equal opportunity employer offering generous working conditions.

A Working with Children check and a police check is required for all employees of Tweddle.

Applications must include the following:

- Cover Letter
- Resume
- Address the Key Selection Criteria

If you are suitably qualified with the relevant experience and are excited by the challenge of working with children and their families in this exciting program, please forward your application consisting of a resume, cover letter and a statement addressing the key responsibilities as found in the position description to [recruitment@tweddle.org.au](mailto:recruitment@tweddle.org.au) by close of business Monday 17<sup>th</sup> August 2020.

For further information, please contact Ms Catherine Fisher on 8387 0645 or [Catherine.Fisher@Tweddle.org.au](mailto:Catherine.Fisher@Tweddle.org.au).
